

'Excursion sur le Volcan' by BOTERO

I think that I should lose a few kilos,
I think I should grow a little taller,
I think.. No I'm sure that...

I think this dress looks too tight on me,
I think that the yellow rose in my hair clashes with my eyes
And I'm sure I should have put my yellow shoes on this morning!

I think I'm going to pick this red poppy to match my red shoes and I
shall remove my yellow rose from my hair,
I think that then it won't match with my dress,
I am sure that to keep up with fashion is difficult.. but when you look like
me, it's even worse!

I think I should have put my hair in plaits today,
No, I think it should have been a ponytail,
No, I'm I look pretty with my hair loose..
What am I saying... my hair wont change the way I look!

What are you looking?
Do you think you see yourself in me?
