

St George's Football Academy

Coaching Structure and Sessions

Dear SGFA players and parents.

Sept 19th 2011

Thank you for a fantastic turnout last Saturday for the SGFA registration.

I was pleased to see so many of our players returning plus some new ones for the New Year.

To maintain the high quality of coaching and also to assure a direct approach to your son or daughters football development we have decided to split the coaching sessions in to two parts.

The first SGFA sessions will be known as the Blue Academy will focus on technical development and the progression in small sided games.

SGFA Blue will start at 9am and finish at 10.30am

The second SGFA session will be known as the Red Academy will focus on the technical and tactical development of the players through zonal play and the progression from 7 v 7 to 11 v 11. This session will start at 11pm – and finish at 1pm

The players invited to these sessions are as follows: I apologise for any name spell checks, please contact me to correct. All sessions start this coming Saturday Sept 24th 2011.
